HOW IT WORKS

01 Choose your rate, amount and interest mode - from $50.

02 Your capital works in 30-day cycles, financing real settlement activity.

03 Get paid every month, or reinvest to compound - your choice.

WHY ARKENSTONE

- Capital not exposed to market volatility
- Interest paid monthly or reinvested
- Backed by real, productive economic activity
- Start from $50 - funded in stablecoin

Start investing in yourself.
